

## User Guide

In Admin panel you need to enable this module under  
**store > configuration > BlueThink Inc > Question Answer**

There are few options to set Answer On Below Select  
Questions to be Display, Select Answers to be Display.

The screenshot shows the Magento Admin Configuration page for the BlueThink Inc. Question Answer module. The left sidebar contains a navigation menu with icons for Dashboard, Sales, Catalog, Bluethinkinc, Customers, Marketing, Content, Reports, Stores, System, and Brand Partners & Extensions. The main content area is titled 'Configuration' and includes a search icon, a notification bell, and a user profile dropdown. Below the title bar, there is a 'Scope' dropdown set to 'Default Config' and a 'Save Config' button. The configuration is organized into sections: 'BLUETHINKINC' (expanded), 'Question Answer' (selected), 'GENERAL', 'CATALOG', 'SECURITY', 'CUSTOMERS', 'SALES', 'SERVICES', and 'ADVANCED'. The 'Question Answer' section is highlighted with a red border and contains three sub-sections: 'General Configuration' with a 'Module Enable' dropdown set to 'Yes'; 'Question Configuration' with a 'Select Questions to be Display' dropdown set to '3'; and 'Answer Configuration' with a 'Select Answers to be Display' dropdown set to '3'. The footer of the page displays the Magento version (2.4.6-p3) and links to the Privacy Policy and Report an Issue.

**You Can add manually Question in backend.**

Bluethinkinc -> Question -> Add New Question

The screenshot shows the 'Add New Question' form in the Bluethinkinc backend. The form is located in the main content area, with a sidebar on the left containing navigation links: DASHBOARD, SALES, CATALOG, BLUETHINKINC, CUSTOMERS, MARKETING, CONTENT, REPORTS, STORES, SYSTEM, and FIND PARTNERS & EXTENSIONS. The top header bar displays the title 'Add New Question', a search icon, a notification bell with a red '1', and a user profile icon labeled 'admin'. Below the header, there is a light gray bar with three buttons: 'Back', 'Save and Continue Edit', and 'Save Question' (highlighted in red). The form itself consists of several fields: a large text area for the 'Question' (marked with a red asterisk), a 'status' dropdown menu set to 'Approved', a 'type' dropdown menu set to 'Admin', a large text area for the 'Sku' (marked with a red asterisk), and a note below it stating 'Please Enter comma separated Skus here'. Below the 'Sku' field are two more text fields for 'Name' and 'Email', both marked with red asterisks. At the bottom, there is a 'Store View' dropdown menu (marked with a red asterisk) showing a list of options: 'All Store Views', 'Main Website', 'Main Website Store', and 'Default Store View'.

**You Can add manually Answer in backend.**
